## Profile

I was born in Artés, Barcelona, and I moved to London in 2003 where I graduated in Visual Communication and Typography from the University of the Arts London. My interest in other cultures and languages also led me to take a course in teaching English.

---

## Technical Skills

Adobe Creative Suit, including Illustrator, Photoshop, InDesign, and Flash. FontLab Studio, notions in Dreamweaver, HTML and CSS. Microsoft Office, and Voyager Circulation. MS Office package.

Letterpress, screen-printing, book binding and crafting skills. Idea-generation techniques.

CAD and technical drawing skills. Numerical control systems. Knowledge in mechanical engineering.

---

## Languages

Solid verbal and written communication skills with proficient fluency in English.

Spanish and Catalan at a native level.
